Receiving: Create a Receipt- All Items Fully Received

🔁 Note: Do NOT use this process if your store was short-shipped or is missing items from your order.

Once the vendor has delivered the ordered products, the next step in the process is to create a receipt in Workday. Follow steps 1-6 below to create a receipt.

Note: Shamrock and Frito-Lay products follow a different process. See special instructions below.

Shamrock and Frito-Lay Special Instructions

Once the product has been replaced by the vendor:

- A. Create a Requisition in Workday for the items received.
- B. Wait 24-48 hours for the approval process to be completed.
- C. Create a Receipt in Workday. Follow steps 1-8 below.

CREATE A RECEIPT

1. Click the **Purchases** application on your Workday homepage.

Click View All Apps

2. Click on the **GCNA - Purchase Order Lines not Received** link to expand the Actions menu.

3. Click on **Cost Center** and select the appropriate store.
