

Why Use Workday Mobile?

If you don't have time to sit in the office all day to use Workday, then Workday Mobile is for you!

Perform administrative tasks anywhere!

Access to

- My Tasks
- All apps
- Manage time off requests
- Run reports
- Dashboard

Complete Training on the Go!

Access your LMS courses whenever you have a moment

- Tip: you can also share this with your team members so they can do compliance training from anywhere in the store.

Access to important tasks!

Since you have access to your dashboards you can

- Manage hiring tasks
- Approve or deny time off requests
- Delegate tasks
