New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 6-30-2023)

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact **HR Benefits Team: 602-535-4100 option 3**

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

- With respect to dependents:

We do not offer coverage.

- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.

Vehicle Emissions Inspection Program 2021 Notice to Employees

BACKGROUND:

To improve air quality and reduce vehicle emissions in heavily traveled areas, the Arizona Department of Environmental Quality (ADEQ) administers a mandatory vehicle emissions inspection program known as the Vehicle Emissions Inspection Program (VEIP).

Arizona law (A.R.S. §49-542) requires vehicle emission inspection and testing for:

- ✓ Most vehicles registered in the Area A vehicle emissions control area of greater metro Phoenix (including parts of Maricopa County and parts of Pinal County and Yavapai County as defined by A.R.S. §49-541) and/or
- ✓ Most vehicles registered outside of Area A used to commute to a work site located within Area A.

For a map of the Area A vehicle emissions control area boundary and a link to the legal description, please visit the ADEQ website at gisweb.azdeq.gov/arcgis/veiareas/.

IF YOU LIVE AND WORK IN ARIZONA:

- ✓ Any vehicle you own and operate in Arizona must be registered in Arizona and display a valid Arizona license plate (some exceptions apply). For more information, please contact the Arizona Department of Transportation (ADOT) Motor Vehicle Division at 602-255-0072 or visit their website at azdot.gov/mvd.
- ✓ Any vehicle you use to drive to an Area A worksite is required to go through vehicle emissions testing. This applies even if you live outside of Area A.
- ✓ For employees who live outside of Area A, a proof of compliance form will be issued to you by the emissions testing facility at the time of emissions testing. Testing results, which are also sent electronically to ADOT, are needed for registration. After you submit your registration request, by mail or online, you will receive a registration tag for your license plate. For vehicles that are registered out-of-state (students/part-time employees) and that are parked on federal, state, or city parking properties, you will need to obtain an air quality compliance sticker for your driver's window from ADOT. For more information, please call the ADEQ VEIP Hotline at 1-877-692-9227 (1-877-myAZcar) or visit their website at myazcar.com.
- ✓ In addition to any other criminal penalty provided by law, a person who does not comply with this law is subject to a civil penalty of \$100 for a first violation and \$300 for a second violation.

CONTEXTO:

Para mejorar la calidad del aire y reducir las emisiones de los vehículos en áreas de mucho tráfico, el Departamento de Calidad Ambiental de Arizona (ADEQ) administra un programa de inspección de emisiones de vehículo obligatorio conocido como el Programa de Inspección de Emisiones de Vehículo (VEIP).

La ley de Arizona (A.R.S. §49-542) exige inspección y prueba de emisiones vehiculares para:

- ✓ La mayoría de los vehículos matriculados en el Área A del sector de control de emisiones vehiculares del área metropolitana de Phoenix (la mayor parte del Condado Maricopa y sectores del Condado Pinal y el Condado Yavapai, según se define en A.R.S. §49-541) y/o
- ✓ La mayoría de los vehículos matriculados fuera del Área A utilizados para trasladarse a un lugar de trabajo dentro del Área A.

Para un mapa de los límites del Área A del sector de controles vehiculares y un enlace para la descripción legal, visite la página de Internet del ADEQ: gisweb.azdeq.gov/arcgis/veiareas/.

SI USTED VIVE Y TRABAJA EN ARIZONA DEBE SABER:

- ✓ Cualquier vehículo del cual usted es dueño o que conduce en Arizona debe estar matriculado en Arizona y llevar de forma visible una placa válida de Arizona (algunas excepciones son válidas). Para mayor información, favor de llamar a la División de Vehículos Motorizados del Departamento del Transporte de Arizona (ADOT), al 602-255-0072 o visite su página web: azdot.gov/mvd.
- ✓ Cualquier vehículo que usted utiliza para desplazarse a un lugar de trabajo dentro del Área A va tener que someterse a una prueba de emisiones vehiculares. Esto aplica aún si usted vive fuera del Área A.
- ✓ Para los empleados que viven fuera del Área A, el centro para prueba de emisiones les entregará un certificado de cumplimiento al momento de someter el vehículo a la prueba de emisiones. Los resultados de la prueba, que también se envían electrónicamente al ADOT son necesarios para el registro. Después de enviar su solicitud de registro, por correo o por Internet, usted recibirá una etiqueta de registro de su matrícula. Para los vehículos que están registrados fuera del estado (estudiantes/empleados de tiempo parcial) y que están estacionados en propiedades de estacionamientos federales, estatales o municipales, de la ciudad, será necesario que usted obtenga una etiqueta adhesiva de cumplimiento de la calidad del aire para colocarla en la ventana del asiento del conductor de su carro, la cual es proporcionada por ADOT. Para obtener más información, favor de llamar al ADEQ VEIP al 1-877-692-9277 (1-877-myAZcar) o visite el sitio web myazcar.com.
