

ACTIVITY – SAFETY RECALL GROUP ACTIVITY

---

**Objective:**

- Locate a recalled item and identify why it is a hazard

**Instructions:** Go into the production room, find the recall board, and choose an item that has been recalled. Present the following three things: item name, description, release date, and why it is a hazard, to the Safety Ambassador or a manager.

Item name and description:

---

---

Release date:

---

---

What is the hazard?

---

---
