

Company Concentration

GOAL / OBJECTIVE: A fun way to collaborate while giving recognition to your team members.

GROUP SIZE: 3+ **TIME:** 10-15 minutes

EQUIPMENT: Pens and index cards.

DIRECTIONS:

- Prior to beginning, make up 2 sets of cards. On the first set of cards, list our core values, logos, mission statement, etc. On the 2nd set of cards list the names of your Team Members.
- Spread the cards out on a table mixing them.
- As a team, match the 2 sets of cards. For example; Erick and Collaboration match because Erick is always full of ideas and happy to hear the ideas of others in a project meeting.
- Go around the room until you have matched everyone.
