

Emoji Story

GOAL / OBJECTIVE: An icebreaker to help your team members learn to collaborate.

GROUP SIZE: 3+ **TIME:** 10-15 minutes

EQUIPMENT: Prepare a list of emojis (you can find them on-line or use those available on your device).

DIRECTIONS:

- Divide the group into pairs or small teams.
- Provide each pair or team with a set of emojis.
- Instruct them to create a short story or scenario using the emojis provided. They can interpret the emojis creatively and come up with any storyline they like.
- Give the pairs or teams some time to brainstorm and put together their emoji story.
- Once everyone is ready, have each pair or team present their story to the rest of the group, using the emojis to narrate it.
- After each presentation, encourage the group to discuss the story, share their interpretations, and appreciate the creativity.
